OFFICE OF THE REGISTRAR
(RESEARCH, INNOVATION AND LINKAGES)**

FROM: REGISTRAR (RIL)

REF: MksU/REG-RIL/8-IEW/VOL.1

TO: ALL STUDENTS

DATE: 18TH FEBRUARY, 2026.

SUBJECT: INVITATION TO PARTICIPATE IN MACHAKOS UNIVERSITY 8TH INNOVATION AND EXHIBITION WEEK.

The above subject refers.

Machakos University holds annual Innovation and Exhibition Week as a way of promoting innovation and creativity amongst students, staff and the community. This event offers an opportunity for innovators to network and share their ideas and experiences, as well as strengthen the entrepreneurial culture and skills that form the cornerstone of the community's socio-economic growth and development. Guided by her mandate, the University has organized its 8th Innovation and Exhibition Week under the theme *"Innovation for Sustainable Development and Healthy Futures"*.

The purpose of this letter therefore, is to invite you to participate and showcase your Innovations in the 8th Innovation and Exhibition week which will be held on 12th to 13th March, 2026 in the University Sports ground. The event will see the best innovations awarded. The 8th Call for Innovation and Exhibition Week has been shared in the University Website. For registration, kindly visit the Luban Workshop or Office of the Director (Research, Innovation and Technology Transfer).

Thank you
